Google (Austin) + BankSocial (Dallas)

AI / ML + Web3 + FinTech

2025 June 6 - 8

SPONSORSHIP PROSPECTUS

IVY PLUS 2025 SUMMARY

LIVE AI is the only accelerator-backed hackathon series. As a talent identification program, it has already gotten many Ivy Plus students (undergrads and grad students) hired, acquired, admitted into accelerators, as well as incorporated and invested all across the United States.

46 Submitted Projects

881 Total Applicants

\$109K+ Delivered value in prizes

“It was an unforgettable experience, where I got to learn so much from the creativity and innovation of others while witnessing some truly amazing projects come to life!”

- Luopeiwen Yi
Team NeoNest
